117th ANNUAL CONVENTION

June 8-12, 2013 • The Homestead • Hot Springs, VA

Join us in Hot Springs, and bring your whole family! Our 117th Annual Convention takes us back to The Homestead, America's first resort, in the heart of the Virginia mountains. Here you will experience the same gentle climate that captivated George Washington...the same natural mineral springs that soothed Thomas Jefferson and James Madison...the same romance and magic that captivated Woodrow Wilson and his bride...the same Homestead that has been part of America's history and heritage for 240 years. Your whole family will love it along with the lifetime friends they will make within our NCBA family.

Register and Reserve Your Rooms Now

This announcement contains everything you need to register for Convention and to reserve your room at The Homestead. Don't delay! We expect a tremendous response to our Convention. Bring the Family!

The Homestead is the perfect location for your family's summer vacation. Try your hand at fly fishing with Orvis certified instructors or step up to the challenge of skeet, trap and sporting clays at the state of the art Shooting Club. Rock climbing, hiking, mountain biking, horseback riding and many more activities are at your reach. For even more family-oriented fun, the newly-opened Allegheny Springs offers two acres of thrilling activities fueled by water from their native springs. Kids will love the two 100-foot water slides of the Mountain Rush and the new water play zone. Kick back with a leisurely ride down the 400-foot lazy river, or relax in the family pool and at the new sandy beach with the whole family.

Restore Your Mind and Body

Still fed by the original hot springs that have attracted travelers since the 1700s, The Homestead's luxury spa offers the ultimate in rejuvenation and relaxation. Experience the natural mineral spring waters of the legendary Jefferson Pools. In addition to the famous hot springs, The Homestead features a world-class European-style spa facility rated among the top 25 resort spas by *Condé Nast Traveler*. The Homestead Spa is always in great demand and **early reservations are highly recommended.** Contact The Homestead Spa at 800.838.1766 to make your advance reservations. Annual Golf and Tennis Tournaments For NCBA Foundation

As always, we will host our ***NCBA Foundation Golf and Tennis Tournaments***. The tournaments have been scheduled for Monday afternoon and Tuesday afternoon, respectively, following the General Session. Golf will tee off at The Old Course which enjoys the distinction of having the oldest first tee (established 1892) in continuous use in the US. The course offers six par-5s and six par-3s - including par-3s to conclude each side - giving this layout a unique flavor. Tennis will be played at The Homestead's tennis complex which includes four clay courts and two hard courts. Make your golf or tennis reservations on the **Convention Registration Form** and on the **Golf and Tennis Registration Forms**.

The Annual Banquet

Register early! We will return to our sit-down banquet tradition and seating will be assigned based upon the date we receive your Convention Registration. The evening highlight will be our special entertainment. Please be sure to note on your Conference Registration Form if you plan to attend the Banquet.

Please consider donating a quality item for the NCBA Foundation Silent Auction: a weekend getaway to your beach or mountain home, a painting by your spouse, tickets to sporting events, handmade jewelry, etc.

Attire for all NCBA events during the day is resort casual. Golf and tennis players are encouraged to come to the general session dressed for their afternoon tournaments. In the evening, jackets and ties are suggested in The Dining Room. Casual attire is welcomed at Sam Snead's Tavern and The Player's Pub.

NCBA FOUNDATION GOLF TOURNAMENT

Monday, June 10

Sponsored by KEN SMITH INC.

THE OLD COURSE

The Homestead Old Course enjoys the distinction of having the oldest first tee in continuous use in the US. In 1892, it was part of a six-hole layout. By 1901, the golf course had been enlarged to 18 holes and 6,000 yards, and in 1913, the legendary Donald Ross provided a professional design that continues to challenge golfers on this championship golf course. As the game of golf has evolved over time, so has the Old Course, with updates by William S. Flynn in 1925, and under the direction of Rees Jones, a more than \$1 million redesign has been performed on the Old Course to preserve the essential flair and enhance the traditionally favorite characteristics of this Virginia golf favorite.

Abundant fairway contouring gives most shots a side hill, uphill or downhill lie to smallish greens, making approach shots interesting. This luxury golf course offers six par-5s and six par-3s - including par-3s to conclude each side give this layout a unique flavor. The golf course also features a driving range and putting green that are adjacent to the course.
