Chosen by more than 3,000 financial institutions nationwide, Promontory Interfinancial Network is the leading provider of FDIC-insured deposit placement services. Banks can use the company's solutions—[Insured Cash Sweep, or ICS](#); [CDARS](#); [Promnet Reverse Repo](#); [IND](#); [Yankee Sweep](#); [Bank Assetpoint](#); and [Residential Mortgage Network](#)—to build multi-million-dollar relationships, reduce collateral requirements, purchase funding, manage liquidity, and buy or sell loans. Visit promnetwork.com to find out how Promontory Network can help your bank to manage its balance sheet more profitably.

Limits, other terms, and conditions apply. Insured Cash Sweep, ICS, CDARS, IND, Bank Assetpoint, and Yankee Sweep are registered service marks, and Residential Mortgage Network and Promnet Reverse Repo are service marks, of Promontory Interfinancial Network, LLC. The Promnet Reverse Repo service is provided by Assetpoint Financial, LLC, a wholly owned subsidiary of Promontory Interfinancial Network, LLC, and a member of FINRA and SIPC.
