

## DataVerify & SBS Virtual Appraisal Experience Aids during COVID-19

Now more than ever, digital solutions are in demand. As lenders are looking for a virtual experience, we are here to provide them with solutions. DataVerify, along with our sister company [SBS Valuations](#), has a solution that provides functionality suggested by the FHFA: **Virtual Closer Look**.

Highlights of **Virtual Closer Look**:

- ✓ **Convenient:** Homeowner completes simple guided process taking interior and exterior photos on their phone of home
- ✓ **Fast:** Completed electronically within minutes
- ✓ **Affordable:** Extremely low-cost
- ✓ **Valuable:** Can supplement the estimated property value completed by a certified real estate appraiser

We can virtualize the appraisal experience by digitalizing this process to keep loans moving forward. Reach out to us today so we can provide a solution to meet your needs right now and for the near future.
